**Superior staffing.
Less effort**

If your company regularly uses 35 or more temporary employees, WillStaff can provide a professional on-site staffing manager to coordinate and manage your staffing requirements.

Your on-site manager will work with your HR department to plan staffing needs, ensure all requests are accurately and timely filled, and monitor worker performance to ensure satisfaction.

Through this program, your company benefits from having an experienced staffing partner who:

- Understands your staffing needs.
- Knows your company's hiring process.
- Recruits employees strictly for you.
- Manages the flexible workforce daily.
- Evaluates and measures worker performance.
- Prepares for upcoming staffing needs.
- Develops customized skills assessments.
- Prepares HR Reports utilizing latest the technology.

“Any need that we have had, we simply call WillStaff and they take care of our issues. They are professional, responsive, credible and honest.”

Tammie Riddle, RR Donnelley

Available Services

Recruiting & Screening

To help you build the best possible teams, WillStaff can custom design recruiting and screening systems to fit your short or long-term staffing needs.

Testing, Training & Orientation

To accelerate the process of getting new employees up to speed, we can design programs either for your entire company or specific departments.

Scheduling & Timekeeping

When scheduling and timekeeping become too big of a burden to handle, we can step in and manage the process for you with automated systems.

Staffing Contingency Plans

To help you prepare for the unexpected, WillStaff can develop contingency staffing plans to provide back-up employees to keep operations running smoothly and ensure deadlines are met.

Performance Reviews

To help ensure worker satisfaction, we can facilitate all aspects of your employee performance reviews and provide detailed reports.

Conflict Resolution

Proper conflict resolution is vital to minimizing the risk of costly litigation. We are highly experienced in this area and can handle the process for you.

Paycheck Distribution

When you're paying hundreds of people each week, timeliness is critical. To simplify the task, WillStaff can manage your payroll and paycheck distribution utilizing direct deposit, debit pay cards or paper checks printed on-site.

The WillStaff Difference

Cost Savings

By proactively managing your staffing function, WillStaff can dramatically reduce payroll and administration costs, benefits expenses, and training and orientation costs. We also offer reduced hourly rates on temporary staffing to our larger on-site clients.

HR Relief

The on-site manager can take over many of the time-consuming administrative, procurement, and paperwork tasks assigned to your HR staff allowing them to focus on the current employees' needs.

Centralized Procurement

The on-site manager will work directly with each department to plan and manage staffing requests. We will assume full responsibility for procurement, including the selection of back-up and specialty temporary and contract staffing suppliers.

Improved Productivity

The on-site manager will collaborate with your management team to develop recruiting, screening, interviewing, testing & training, and safety and orientation programs for temporaries – which facilitates a more productive work environment.

More Accountability

At WillStaff, we work directly with you to establish accountability measurements, which may include end of assignment evaluations, monthly performance reports, and quarterly business reviews.

24/7 Support

There will always be a person available to assist any unexpected or emergency needs.
